

Outline	Learning Objectives
<p>This half-day program presents information and strategies to anticipate and prevent encounters in the outdoors. Whether you are in outdoor environments for business or pleasure, this course will bring awareness of safe practices and teach you how to avoid unnecessary and dangerous situations. This is an interactive course, practicing the latest techniques in a hands-on matter.</p>	<ul style="list-style-type: none"> • Learn to respond to stings and bites • The correct use of antihistamine and EPI pens • How to purify water of bacteria and viruses • What to do in an encounter with wildlife • Protect yourself from West Nile Virus and proper removal of a tick • Learn how to use sprays and banger demonstration in a bear encounter.
	<p>Competencies</p> <p>The competencies of this program are tested and measured through 100% participation of the learning objectives.</p>
